

Nursing & Medical Services

Clinical Research

Flexible Hours!!

24/7 Nursing & Medical Services are inviting Registered Nurses to come and be part of an amazing team of Clinical Research Nurses.

We provide Nurses to the world renowned Glaxo Smith Kline Phase 1 Clinical Research Unit, located in Randwick.

You must be proficient in Venepunctaure & 12-lead ECGs, possess good communication & attention to detail skills. Previous experience in Research is desired but not mandatory as full training will be provided.

Hours available are as per trial requirements so you choose the shifts that suit you making this a possible full, part time or casual position.

**Vacancies will be quickly filled so
